

IMPORTANT: Congratulations - Dean's Leadership Academy!!

From Marina Crawford <Marina.Crawford@csulb.edu>

Date Fri 9/17/2021 4:44 PM

To Alex Contreras <Alex.Contreras@student.csulb.edu>

Good Afternoon Alexander,

After careful consideration, it is with great pleasure to announce that you have been selected to take part in The Aerospace Corporation Dean's Leadership Academy (DLA)!

With that said, please let me know whether you are able to commit to this opportunity no later than 12pm (PST) Monday, September 20th. Our first meeting will take place Tuesday, September 21st from 4pm – 6pm via Zoom (Meeting ID: 845 2005 5062)

Once again, The Aerospace Corporation Dean's Leadership Academy is a fantastic opportunity to interact with executives from various industries and discuss the many aspects of leadership and management. As one of last year's members said, "Having direct access to our guest speakers in such an intimate setting isn't something some of their employees get to have, but we do!" Thus, we highly encourage all of our Dean's Leadership Academy members to be active participants at each meeting – network with each other and our guest speakers, ask questions, and encourage each other to seek out leadership opportunities.

As a reminder, our **first meeting will take place, next Tuesday, September 21st**. This first meeting will serve as our orientation. College of Engineering Dean, Dr. Jinny Rhee, and I, will discuss why this opportunity is so important and what to expect from each meeting. You will also get a chance to meet your fellow Dean's Leadership Academy peers.

The Aerospace Corporation Dean's Leadership Academy is a yearlong commitment and will take place on the first Tuesday of every month, with the exception of this month's (September) meeting.

With that said, the schedule of dates for the Fall 2021 and Spring 2022 semesters are as follows:

FALL 2021		SPRING 2022
Orientation: Tuesday, September 21st		1 st Meeting: Tuesday, February 1 st
1 st Meeting: Tuesday, October 5th		2 nd Meeting: Tuesday, March 2 nd
2 nd Meeting: Tuesday, November 2nd		3 rd Meeting: Tuesday, April 5 th
3 rd Meeting: Tuesday, December 7th		Final Meeting: Tuesday, May 3 rd

Here is the rough itinerary of what will occur for each meeting, with the exception of the Orientation. Please Note: This schedule is subject to change:

4:00 – 4:15pm Introductions

4:15 – 5:10pm Presentation by Guest Speaker

5:10 – 5:30pm Q&A

5:30 – 6:00pm Networking & Wrap Up

As defined in the application, by agreeing to be a part of The Aerospace Corporation Dean's Leadership Academy, **you are committing to attending all meetings for the 2021-2022 academic year**, being an active participant, and if asked to do so, completing reflection write-ups. In addition, you commit to consideration for leadership positions and being a well-rounded leader when the opportunity arises. Since the minimum GPA to apply to the program is a 3.0, we encourage you to remain academically driven and require that all participants maintain a minimum cumulative GPA of 3.0 throughout their participation in the Academy. Participants must also remain in the College of Engineering (pre-major or major) for the duration of their participation in the Academy. **Again, by being a participant in the 2021 – 2022 Dean's Leadership Academy, you have agreed to allow us to share your Name, CSULB Email Address, and Major with The Aerospace Corporation.**

If you have any questions or concerns, please let me know.

Congratulations and we are looking forward to seeing you next Tuesday, September 21st!

Marina Crawford
