

The Aerospace Corporation Dean's Leadership Institute (2021-2022 Academic Year)

The Aerospace Corporation Dean's Leadership Academy is an exclusive opportunity for high achieving students who have displayed leadership qualities throughout their academic career to connect with executive-level industry and community members in an intimate group setting. The Aerospace Corporation Dean's Leadership Academy will address an important element of success - namely, the development of leadership qualities.

Former speakers include: Alan Knipe (Olympic Volleyball Coach), Patrick Goggin (VP, Boeing), Jason Reisig (Academy Award Winning Film Director), Lynette McKinnon (Director of the Boeing Commercial Airplanes Long Beach Design Center), Elliott Powell (Former Navy Admiral and Director of the White House Situation Room), and Lt. General George K. Muellner, Ret. (Former President of Advanced Systems of Integrated Defense Systems & Vice Chairman of The Aerospace Corporation), Steve Isakowitz (CEO, The Aerospace Corporation), Jennifer Didlo (Retired President of AES).

Each event will allow student members to hear first-hand from noted speakers about:

- Lifetime achievements and experiences
- Important characteristics that helped develop his/her leadership skills
- Advice for young student leaders preparing for careers
- The entrepreneurial spirit, and
- Personal hardships that helped shape his/her career and life

The meetings will provide an exceptional opportunity for direct interaction with these role models in a friendly setting. The main goal of these events is to provide an environment where open and candid dialogues can occur.

The Aerospace Corporation Dean's Leadership Academy will meet once a month for 2-hour meetings over the course of 1 academic year. Each student may be required to write a short summary at the end of each semester that serves as a reflection of the student's own integrity and leadership skills/capabilities/opportunities.

This series will be held on the 1st Tuesday of every month from 4:00pm - 6:00pm. There will be a total of 8 meetings (Sept. 21st, Oct. 5th, Nov. 2nd, Dec. 7th, Feb. 1st, Mar. 1st, Apr. 5th, May 3rd). The Aerospace Corporation Dean's Leadership Academy **participants are required to attend all 8 meetings.**

4:00 - 4:20pm Networking & Updates (Light dinner once back on campus)

4:20 - 5:10pm Speaker Presentation

5:10 - 5:30pm Q&A Session

5:30 - 6:00pm Wrap Up

This opportunity is by **invitation only**.

Students must have at least a 3.0 GPA and be of sophomore (2nd year), junior (3rd year), or senior (4th year) academic standing. Dean's Leadership Academy members must maintain at least a 3.0 cumulative GPA and remain in the College of Engineering for the full duration of the program (Fall 2021 – Summer 2022). The group will consist of up to 30 students. Student selection is based on: a) academic achievement, b) leadership qualities, and c) commitment to participation.

Those who are interested and meet the minimum qualifications are encouraged to apply for consideration. This online application will require candidates to provide their contact information, upload an unofficial CSULB transcript, and respond to three short answer supplemental questions.

Please Note: Contact information for students participating in the program will be shared with the program's sponsor (The Aerospace Corporation). By submitting this application, you may be considered for a scholarship.

Applicants will receive an email confirmation once they submit the application. After the application deadline, the hiring committee will then review all applications and notify those selected. All applicants will receive notice once the group has been filled to capacity.
